

## **The Curl Journeys at The Pamper Lounge**

### **Your first step to curl confidence!**

#### **The First Chapter - New Client Curl Cut**

1hr 45–2hrs Above Shoulder £80 - Below Shoulder £85

Your curl story begins here. Full consultation, curl-by-curl dry cut, scalp detox, wash, personalised styling, diffuse and final touches. We chat all things curls so you leave confident styling at home.

#### **The Next Chapter - Returning Clients**

1hr 30 mins Above Shoulder £70 - Below Shoulder £80

Your returning visit keeps your curl story flowing. Everything from the New Client Experience without the longer consultation. A refresh of shape, scalp, and styling – perfect for curl friends who've already begun their journey with us.

#### **The Edit - Express Curl Cut**

30 mins Above Shoulder £40 - Below Shoulder £45

For established clients only (within 4 months of your full curl cut). A focused dry curl-by-curl snip to refine your shape and keep curls behaving beautifully. No wash, no style – just a precision tune-up.

#### **The Little Chapter – Children's Curl Cut (Under 12s)**

30 mins Above Shoulder £30 - Below Shoulder £35

Gentle curl-by-curl shaping, with chat through their routine and practical curl care advice for parents. A magical first step in their curl confidence journey.

 **Curl Care Tip:** For happy, healthy curls we recommend four curl cuts a year: three Express Edits and one Full Curl Experience.

### **The Glossary – Wash, Condition & Diffuse**

1hr | £49

A little luxury for your curls. Washed, nourished, and styled with curl-friendly products before a dreamy diffuse dry. Perfect for those “I need my curls to look their best right now” moments.

### **The Epilogue – Conditioning Treatment**

30 mins | £30

A mini spa for your scalp and curls. Gentle detox, personalised treatment, and heavenly head massage to restore strength, shine, and bounce. Pair with a diffuse dry for full results.

 We use **Organic Colour Systems OCS**. A UK brand from the New Forest, crafted with organic ingredients and minimal chemicals. Vegan, cruelty-free, and ammonia-free, OCS works with your hair to enhance natural shine, strength, and condition.
